Re: Mass Media Docket No. 97-156

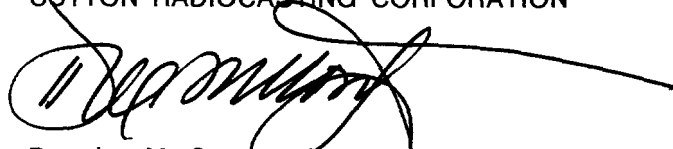

Dear Mrs. McDonald,

This letter is being sent to you as a supplement to the reply comments of Sutton Radiocasting Corporation which is requesting that the city of license of WCRS-FM in Greenwood, South Carolina be changed to Abbeville, South Carolina, and the station be upgraded from Class A to Class C3.

In response to comments made by Shelley Reid, licensee of WZLA in Abbeville, please be advised that notwithstanding a statement made by Mark Hellinger, owner of WABV in Abbeville, as of this date, WABV remains off the air. Furthermore, the station is advertised for sale in a recent edition of Radio World. A copy of this ad is enclosed for your review.

Thank you.

Cordially,
SUTTON RADIOCASTING CORPORATION
